Does Your Child Have Any Dietary Preferences?

We have a rigorous process in place to provide a safe meal service to pupils with food allergies or intolerances, which we supply on behalf of your child's school.

If your child has a food allergy or intolerance and meets the qualifying criteria, then we have a range of delicious and nutritious menus designed especially for your child's medical requirements.

Our online **Allergy Management System** is easy to use and takes just a few minutes to set up your child's profile. Visit **specialmenu.hcl.co.uk** to get started

HCL operates a strict No Nut Policy - which means our meals do no t have nuts or nut traces in any of the ingredients we use.

Pupils who need to monitor their carbohydrate intake, can view this information directly from our website; there is no need to apply for a Special Diet.

Here's what you'll need:

- Your child's school details including class name
- Medical evidence of your child's medical requirements
- Electronic passport style photograph (which you will need to upload on to our system)

Once you have created your account you will be able to easily update the school and HCL with any changes to your child's dietary needs in the future. You will also automatically receive new menus when they change (twice yearly).

If you need any further support, please see the 'Frequently Asked Questions' section of our Special Diets website or alternatively you can email **HCL.Nutritionist@hcl.co.uk**.
